(\$1.25 suggested donation) and reservations should be made at least 24 hours in advance (by Friday for Monday).

## OCTOBER 2024 MOVIES

**LOVE IN THE TIME OF CHOLERA (2007)**: In Colombia just after the Great War, an old man falls from a ladder; dying, he professes great love for his wife. After the funeral, a man calls on the widow - she dismisses him angrily. Flash back more than 50 years to the day Florentino Ariza, a telegraph boy, falls in love with Fermina Daza, the daughter of a mule trader. Ariza is persistent, writing her constantly, serenading, speaking poetically of love. Her father tries to keep them apart, and then, one day, she sees this love as an illusion. She's soon married to Urbino, a cultured physician, and for years, Ariza carries a torch, finding solace in the arms of women, loving none. After Urbino's fall, are Ariza's hopes delusional?

**BEYOND SIXTY (2021)**: The myth that older women are invisible is shattered in this inspirational, revealing look at remarkable women thriving, leading lives rich in experiences and accomplishments that defy perceptions and reveal what is possible beyond sixty.

### CENTER CLOSED – COLUMBUS DAY

**WAIT UNTIL DARK (1967)**: Susy was recently blinded and recently married. Susy's husband, Sam, is asked to hold a doll for a woman he doesn't know as they get off an airplane. The woman disappears. Later, she's found dead by her former associates, Mike and Carlino, small-time hoods, in Susy's basement apartment. (Both occupants of the apartment are then absent.) The doll woman's newer partner in crime, Harry Rote, who murdered her for self-dealing, presses Mike and Carlino into a scheme to recover the doll, which contains a fortune in smuggled heroin. After disposing of the body, the thugs return while Susy is present to continue their search. They assume Susy's blindness will enable them to search her apartment under her very nose for the doll. In Sam's absence, Mike pretends to be an old friend of Sam's, while the three together spin for Susy a story of a murder investigation of her husband from which only the finding of the missing doll can save him. Rote is a predator, and his stalking of Susy becomes ever more obvious as the blind woman's predicament becomes ever more desperate.

**SIDEWAYS (2004)**: A week before his friend Jack is to be married, best man Miles and the prospective groom head off to wine country for a week of fun, relaxation and - of course - wine drinking. Miles is the oenophile and does his best to teach Jack a bit about the art of appreciating great wine. All Jack cares about is drinking and carousing, something he accomplishes when he meets the attractive Stephanie at one of the vineyards. Miles is something of a sad sack, a high school English teacher who is a failed writer at heart. He has yet to get over the fact that his wife has divorced him and that she has remarried and he now faces that nerve racking wait for word from a prospective publisher. Miles has an opportunity to start anew when he meets Stephanie's friend Maya but when he lets slip that Jack is about to be married any hope of a relationship seems to be lost.

**BEETLEJUICE (1988)**: Adam and Barbara are a normal couple...who happen to be dead. They have given their precious time to decorate their house and make it their own, but unfortunately a family is moving in, and not quietly. Adam and Barbara try to scare them out, but end up becoming the main attraction to the money making family. They call upon Beetlejuice to help, but Beetlejuice has more in mind than just helping.

**UNHINGED (2020)**: Academy Award winner Russell Crowe stars in Unhinged, a psychological thriller that takes something we've all experienced- road rage - to an unpredictable and terrifying conclusion. Rachel (Caren Pistorius) is running late getting to work when she crosses paths with a stranger (Crowe) at a traffic light. Soon, Rachel finds herself, and everyone she loves, the target of a man who feels invisible and is looking to make one last mark upon the world by teaching her a series of deadly lessons. What follows is a dangerous game of cat and mouse that proves you never know who you're driving next to.
