JerseyOn, a new state-wide non-profit focused on connecting low-income students and their families, has joined the Borough of Fair Lawn in an effort to bring affordable, high-speed broadband to all residents. JerseyOn works to eliminate the digital, economic, and academic divides by delivering low-cost home Internet, affordable computers, and digital literacy training for the thousands of unconnected people in our state.

Guide to Enrollment

1. Visit **jerseyon.org/fairlawn**

2. Enter your 5 digit zip code and click "Find Offers"

3. Do you have at least one child in your home enrolled in the National School Lunch Program? If not, you still qualify for some great offers.
   a. Yes, my child receives **free** school meals.
   b. Yes, my child receives **reduced** school meals.
   c. No, there is no child participating in the free or reduced price school meals program in the home.

4. Click "Enroll Online" under the best option for you.
