## MARCH 2025 MOVIES

**ANESTHESIA (2015)**: Philosophy professor Walter Zarrow is wounded during a mugging. In an effort to escape he rings buzzers indiscriminately, waking Sam, a middle aged father of two having an affair in the city. Sam reluctantly answers Zarrow's pleas, and Zarrow loses consciousness in his arms. Through an exploration of why these men, along with the mugger, and an addict named Joe, come together, we explore New York City. The experience of Zarrow, Sam, Joe and Zarrow's assailant ripple quickly out to include the connected lives of a housewife struggling with alcoholism, a stoner teen desperate to lose his virginity, a brilliant but failed writer fighting addiction, two parents confronting the prospect of terminal illness, and a brilliant grad student who wounds herself to feel alive.

**THE WHITE TIGER (2021)**: Balram Halwai (Adarsh Gourav) narrates his epic and darkly humorous rise from poor villager to successful entrepreneur in modern India. Cunning and ambitious, our young hero jockeys his way into becoming a driver for Ashok (Rajkumar Rao) and Pinky (Priyanka Chopra-Jonas), who have just returned from America. Society has trained Balram to be one thing--a servant--so he makes himself indispensable to his rich masters. But after a night of betrayal, he realizes the corrupt lengths they will go to trap him and save themselves. On the verge of losing everything, Balram rebels against a rigged, unequal system to rise up and become a new kind of master.

**THE BANSHEES OF INISHERIN (2022)**:

Set on a remote island off the west coast of Ireland, **THE BANSHEES OF INISHERIN** follows lifelong friends Padraic (Colin Farrell) and Colm (Brendan Gleeson), who find themselves at an impasse when Colm unexpectedly puts an end to their friendship. A stunned Padraic, aided by his sister Siobhan (Kerry Condon) and troubled young islander Dominic (Barry Keoghan), endeavours to repair the relationship, refusing to take no for an answer. But Padraic's repeated efforts only strengthen his former friend's resolve and when Colm delivers a desperate ultimatum, events swiftly escalate, with shocking consequences.

**INTO THE WHITE (2012)**: In World War II, the German pilots Lieutenant Horst Schopis, Josef Schwartz and Wolfgang Strunk crash their airplane in the wilderness of Norway after shooting down a British airplane. They walk through a snow storm until they reach shelter in an abandoned hunter cabin. Soon the British pilot Captain Charles P. Davenport and the gunner Robert Smith arrive in the cabin and they become prisoners of the German pilots. However, after the initial friction between the enemies, they realize that they should team-up to survive in the wilderness in the beginning of an improbable friendship.

**ANNIE GET YOUR GUN (1950)**: A story very loosely based on the love story of Annie Oakley and Frank Butler who meet at a shooting match. Fabulous music although the lead characters have virtually nothing to do with the actual historical figures. Annie joins Frank Butler in Col. Cody's Wild West Show. They tour the world performing before Royalty as well as the public at large.

**WICKED (2024)**: Elphaba, a young woman with green skin, as she navigates life at Shiz University and forms an unlikely friendship with the popular Galinda. Their bond deepens as they encounter the Wizard of Oz, leading to a series of events that ultimately shape their destinies and transform them into the Wicked Witch of the West and Glinda the Good.
