Keeping Connected In Your Community

Happy 2025! As we enter the New Year we can look back on our centennial year 2024 with pride and look forward to the coming year with hope and optimism. To keep up with all the exciting events in town, I encourage you to sign up for Borough email notifications at fairlawn.org and to follow our social media accounts to stay updated on events and announcements.

In 2024, the Borough of Fair Lawn has been busy with several key initiatives:

- **Centennial Celebration:** We marked our 100th anniversary with events like Fair Lawn Day and the Centennial Gala, celebrating our history and bringing residents together.
- **Infrastructure:** Investments in road resurfacing, sidewalk repairs, and stormwater management have improved our infrastructure, as well as facilities to make our water system safer and more secure.
- **Sustainability:** We enhanced recycling, promoted composting, and organized community clean-up events and planted hundreds of trees.
- **Public Safety:** Improvements were made to emergency services and neighborhood safety programs.
- **Community Engagement:** Expanded cultural, art and recreational programs to promote a vibrant, connected community.

Fair Lawn has been working hard to enhance the quality of life for its residents—keep an eye out for even more progress as they continue this!

I want to recognize our dedicated Borough employees, whose efforts keep everything running smoothly, and our incredible volunteers who give so much to our community. A special thank you goes to our first responders, who safeguard the well-being of our residents day and night.

It has been an honor for the Council and me to serve the residents of Fair Lawn this past year. We have truly enjoyed meeting many new faces and sharing in the diverse celebrations that make our community so special. With your continued support, I am confident that Fair Lawn will remain one of the best places to live in the Nation!

Warm regards,
Mayor Gail Rottenstrich
